

# Learn the 2024 NMJL Card with MODERN Mahjong

Thank you Barney for the great idea. Use this sheet to write down each hand. Barney uses a pen with four ink colors (three for the suits and black for Flowers and Winds.) If this is a helpful way for you to learn, we invite you to print several pages of these sheets and review all of the different combinations of hands on the new 2024 NMJL Card.

# National Mah Jongg League Card 2024 "Dot" Card Challenge!

Many players enjoy challenging themselves to complete each hand on the card and "dot" their card for each hand won. For players that don't want to mark on their card, we present the 2024 Card Tracking Sheet.
