

Pods Are Portable Homes For NZ Families & Business Owners

What is a **pod**?

A Pod is whatever you need it to be when you need to create space for your family or business. It could be an extra room at the bach, an office space, a granny flat or maybe a rumpus room at home. Our pods are uniquely diverse spaces for both work and play.

We all know how much everyone in NZ could do with a little bit extra space, so we want to make it easy for anyone, anywhere to get the most from their acreage or their place of business. Pre-constructed in a variety of footprints and configurations - choose the Pod thats right for you!

Podlife Pods have almost endless applications:

Event Offices

Home Office

Transient Worker
Dorms

Construction Site
Office

Hair Salon

Sleep Out

Extra Storage

Rumpus Room

Granny Flat

Camping Cabins

Pool Room

Bach

Pod **detail**

Construction

Our Pods are constructed from a galvanised steel then coated with Noxyde which will withstand the harshest marine environment (C5 Marine).

Insulation

The Pod Walls, roof and floor are insulated with high density mineral wool in along with double glazed windows and doors making them extremely well insulated.

Electrical

All the electrical work is complete ready for you to simply plug in the supplied 15m caravan type power lead. All Pods come with LED lighting inside and out and multiple internal powerpoints. All Pods come with an Electrical Code of Compliance (EWOFF).

Kitchenette

The kitchenette is a Peter Hay 1200x500 unit with stainless steel insert, 2 drawers and under sink storage.

Function

Full height bypass sliders in the front can open the door either way. All units come with wood laminate flooring throughout. All Pods come with a large awning over the front door.

Ensuite

The ensuite extension has a 900x750 shower, a toilet, vanity with under sink storage and a 16L Gas califont.

Cladding

The walls and roof are .5mm galvanised steel, corrugated on the exterior and flat on the interior creating a modern, low maintenance and hard wearing finish.
